Listen, my children, and you shall hear
Of the seven archangels who are very near
They are closer than hands and feet, they say
They'll come at your call, there's one for each
day.

SUNDAY'S ANGEL FRIEND

MICHAEL
Angel of Protection

Michael's *protection* you should definitely seek
Awakening on Sunday the first day of the
week

With qualities of faith, strength and power,
He'll ride in on a blue ray. Call him any hour.

A Child's Seven Angel Friends

Now you've heard of the seven archangels,
whom you claim you never did see,
Isn't there an unseen power you use every day
called electricity
You never have seen it though you enjoy its
delights,
So why not try the angels, whom one day you
might sight.
